Gardens on the Prairie is a destination garden center located in Northwest Indiana.

The garden center is known for its 5 beautiful display gardens and rural setting.

The Gardens provide a beautiful and tranquil opportunity for photos and wedding ceremonies.

Wedding Ceremonies may be booked in the Gardens but must take place after business hours.

Business hours are Monday-Friday 8am-6pm, Saturday 8am-5pm, and Sunday 11am-4pm.

Garden fees are \$250 with a \$100 deposit due when reservation is made. Deposit and fees may be paid by cash or check. Seating for up to 100 is available upon request, and can be set up by our staff.

The Gardens have no electrical hook up, special arrangements can be made in advance. Music is allowed but not provided. A port-a-potty is available. Outdoor canopies or tents may be set up, but are not provided. An outdoor Pavilion is available in case of inclement weather, but we do recommend having an alternate location. Bird seed or biodegradable confetti may be used in place of rice. Facilities are not available for receptions.
